**Application:** Wallmount

**Width:** 15mm

**Length:** 6150mm

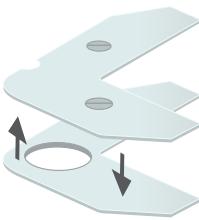

**Weight:** 0,286 kilo/meter

**Option:** Sound absorbing felt

Single-sided aluminium textile frame, used for wall mounting. This is a very popular and widely applicable aluminum frame. This profile is usually mounted on the wall, in exhibition stands or interior integrated.

- Suitable for textile printing silicone strip
- Fast wall mounting by simple lockset
- Wall installation by simple wallmount and / or pierce the profile
- Economical solution

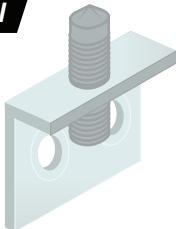

### FK-0210

Each frame is delivered with 8 locksets simple.

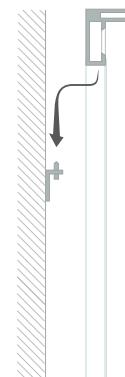

When connecting the frame, first place the lockset (FK-0210) without the punchholes, then the one with punchholes.

#### **Optional**

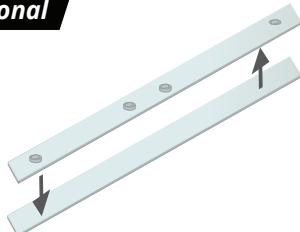

### FK-0400 / FK-0410

These wallmounts can be placed under the frame to hang the frame on the wall.

#### **Optional**

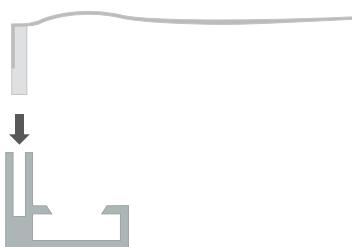

### FK-0510

If the length of the frame is longer than 4 meters, an extension set (FK-0510) is included.

These extension sets can be placed in the channels where the frame is cut in half.

Place the textile print in the frame. Start with the corners and press the silicone strip in the channel.
