FK-0210

Each frame is delivered with 8 locksets simple.

When connecting the frame, first place the lockset (FK-0210) without the punchholes, then the one with punchholes.

Optional

FK-0510

If the length of the frame is longer than 4 meters, an extension set (FK- 0510) is included.

These extension sets can be placed in the channels where the frame is cut in half.

Place the print inside the frame. The montage is depending on the kind of material.
